far | *Water & Solutions [Re-Release & DVD]* | Immortal Records

They say breaking up is hard to do, but Far knew better than to dilute their angelic, yet unintentional formula for orchestrating such a beautifully honest (re)olution that has the chemical potency to tame the most masculine of crushed hearts. Maybe they'll kiss and make up some day.

They say breaking up is hard to do, but Far knew better than to dilute their angelic, yet unintentional formula for orchestrating a (re)olution of tension and beauty that has the chemical potency to tame the most masculine of crushed hearts. Plus, the DVD makes you wish you knew them before they broke up. Maybe they'll kiss and make up some day.
